Tear off and turn in the top information along with the \$50.00 Deposit and keep the bottom portion for your information.

COST: The total amount the student is responsible for is \$450.00. A non refundable \$50.00 deposit is required at the time the student's registration is turned in. Please make all checks out to Crossroad Community Church. \$200.00 is then due by March 1st, 2018 with the remaining \$200.00 being due by May 1st, 2018.

FUNDRAISING: We will be having fundraisers to help offset some, (several students were able to raise ALL of their registration fees by our fundraisers alone) if not all, of the registration fee. In order to get a portion of the funds raised at a fundraising event you must be present at that event.

ACCOMMODATIONS: During Workcamp we will be staying at a local High School. Students will want to bring a towel and washcloth, plastic bags for wet or soiled clothing, an air mattress or foam pad, sleeping bag or sheets/blankets, bathing suite for showering and personal toilet articles. A complete list of tools and other items will be made available at our parent meeting in January.

SPENDING MONEY: Each student will need around \$100.00 in spending money for food while traveling, and for food for our activity on Wednesday.

More details will follow as they become available. If you have any questions please contact me by voice or text at (317) 455-4WAR or by email at wrobison@crossroad-community.com.
